

Escapees Chapter 3 Members, Fellow Escapees and Friends:

The Chapter just completed another successful rally and lobster/clam fest. We had 34 full-time attendees and an additional six the day of the fest.

The Chapter Annual Meeting was also held as required by the By-Laws. Unfortunately there were no volunteers for the critical office of President and for Secretary. We did have a member step up for Treasurer; there is no requirement to fill the Vice President position.

The consequence of these vacancies is that the chapter is rudderless and unable to fulfill the requirements of an annual rally and meeting. If no one is willing to fill the vacant positions, the Secretary and Treasurer in office at the time of the last annual meeting will have no choice but to contact Escapees Headquarters and seek their guidance as to the future of the Chapter.

Chapter 3 is one of the oldest Escapees chapters. We hope Escapees will come forward to assume the duties of President and Secretary for the 2022 - 2023 year so that a viable Chapter 3 can continue. August 16 - 19, 2023, have been tentatively reserved for the next rally.

We are asking for a response by those who wish to volunteer for the office of President or Secretary no later than October 1, 2022.

Thank you.

Cheryl Pease
Outgoing Secretary

John Caprio
Outgoing Treasurer
